

## Cubicle Curtain Stacking Guidelines

**Stack Area:** The amount of Track that is being used when a Cubicle Curtain is fully open.

As a general rule of thumb for every **10 Feet** of Cubicle Curtain width you will need to allow **12 Inches** of Track for proper stacking.

<b>Curtain Width</b>	<b>Space Required to Stack</b>
9 Feet	11 inches
10 Feet	12 Inches
15 Feet	18 Inches
18 Feet	22 Inches
21 Feet	25 inches
24 Feet	29 Inches
27 Feet	33 Inches
30 Feet	36 Inches
