1Square = 1 Foot
Instructions: Draw your Track above being sure to show your Dimensions. Measure from the end of the Track to the "Square Corner, we will calculate actual lengths to obtain your configuration. Draw the Track as if you were looking down on it so that we know to use a Left or Right hand Bend. Make any notes you may have anywhere on the Grid or margin. If you have questions please call us at 620-251-4095 or 800-207-8201. Fax to 620-251-4096 with your Quote Form.
